Proceeds from Java 101 Open Mic Night will benefit RAMP's DeKalb County Services provided out of the DeKalb office. RAMP, a non-profit, empowers people with disabilities to realize there are no limits to what they can do. RAMP accomplishes this by assisting them to live independently, make changes in their own lives, seek peer support, obtain resources and remove barriers that threaten their dreams of independence. RAMP is a resource to which you may refer people with disabilities and expect results. RAMP is a dynamic role model of how to include people with disabilities in a sustainable, successful and productive workplace; and an advocate partnering proactively with the community to ensure full inclusion of people with disabilities.
