

Parent Mentor Project with

John W. Roope, M. E.D.

Director of Early Childhood Mental Health Services in Quincy, IL

John is a parent, stepparent, foster parent and educator who has worked professionally with children and families for nearly thirty years. The principles in his presentation are equally suited to the home or classroom. The concepts are clear and the focus is practical, blending effectively with the aims of positive discipline and developmentally appropriate practice.

Workshops for parents, day care providers, early childhood providers, teachers, any and everyone who has contact with children.

(See reverse for Human Services conference)

Don't Get Drawn In!

How to stay out of Power Struggles with Children

Practical strategies and language for diffusing and preventing power struggles while building relationships with children. Help children become partners in the process of learning to control their own behavior. This program is ideal for teachers and other professional who work with children, and, when shared with both teachers and parents, provides an excellent framework for consistency and support between home and classroom or other setting.

Tuesday, April 6, 2010
