**February 3, 2009** – RAMP is pleased to announce the appointment of two new members to their board of directors.

**Daniel B. Woloszyn**, Psy.D., Chief Executive Officer, Van Matre Healthsouth Rehabilitation Hospital. Woloszyn has demonstrated commitment to the disability community with his past research and work with Brain Injury and Neuropsychological consulting. RAMP has enjoyed a long, positive relationship with VanMatre. RAMP's Executive Director, Julie Bosma stated, ***“Dan’s style of leadership at VanMatre matches RAMP’s desire to plan for the future and be attentive to the details while accomplishing our mission in an enthusiastic and creative manner.”*** Woloszyn is currently a member of the Illinois Hospital Association’s Post Acute Steering Committee, Investor-Owners Hospital Committee, Metropolitan Chicago Healthcare Council Medicare Recovery Audit Contractor Task Force, Healthsouth’s Governance of Leadership Development and CEO Preceptor Program Committee and as Chairman of the Governing Body Committee of Van Matre Healthsouth Rehabilitation Hospital.

**Tina Kaatz**, Director of Special Projects, University of Illinois College of Medicine. The prior 25 years were spent in Physician Practice Management at Rush-Presbyterian-St. Luke’s Medical Center in Chicago, The Cleveland Clinic Foundation in Cleveland, Ohio, and The Rehabilitation Institute of Chicago, Chicago. In all three organizations, Tina had the opportunity to work with the business operations supporting patients with physical and mental disabilities. In fact, it is those experiences that peaked her interest in RAMP’s mission. ***“She brings a passion for and an understanding of grass roots organizations that blends well with RAMP’s desire to include individuals in striving for and accomplishing their own goals of independence,”*** Bosma commented. Kaatz is also a member of the Rolfe Pancreatic Cancer Foundation Board in Chicago and the Rockford Memorial Development Foundation Ambassadors.
